

# To Our Patients

**Mitigation measures instituted to help protect you  
(and our staff) from the Corona virus:**

- screening ALL patients (and our staff daily) for symptoms of a Covid-19 infection
- cleaning the carpets with medical grade disinfectants during this quarantine
- replacing ALL our AC air filters with new, disinfected filters
- disinfecting ALL treatment rooms with medical grade disinfectants
- utilizing UV disinfecting protocols in ALL potential aerosol contaminated rooms
- utilizing anti-viral pre-procedure rinses
- utilizing ADA, FDA, FDHA, CDC PPE guidelines
